#### **f) Construction and Demolition (C&D) Waste Carrying Vehicles:**

1. C & D Waste Carrying Vehicles having a Gross Vehicle Weight exceeding 2 tonnes and not exceeding 6 tonnes are prohibited from plying and idle parking on all arterial roads of the twin cities of Hyderabad and Secunderabad from 9 a.m to 11.30 a.m and 5.00 p.m to 10 p.m.
2. C & D Waste Carrying Vehicles having a Gross Vehicle Weight exceeding 10 tonnes are prohibited from plying and idle parking on all arterial roads of the twin cities of Hyderabad and Secunderabad from 7 a.m to 11 p.m.

#### **General Restrictions & Guidelines:**

1. All vehicles plying in Hyderabad City should be driven in accordance with the Motor Vehicles (Driving) Regulations, 2017.
2. No vehicle of any class mentioned in this notification which is permitted to ply/operate should not ply on any flyover, except the Greenlands (Begumpet) flyover & Langer house flyover.
3. All goods vehicles and heavy/medium passenger transport vehicles, three wheelers, two wheelers, and pedestrians will not be allowed to ply on PVNR Express Way.
4. Any vehicle found to be driven in contravention of the above restrictions is liable for prosecution under the Hyderabad City Police Act, 1348-F and other relevant or applicable legal provisions.
5. Overtaking shall normally be done by any vehicle, where the road space permits, from the right side of the vehicle in the front. This does not apply at turnings where drivers have to necessarily slow down and allow the vehicle ahead to pass.
6. Wherever footpaths are available, pedestrians shall walk on the footpaths. They shall not cut across the traffic moving in the direction indicated by the signal or the traffic police at road junctions. They shall cross, when allowed, only at the zebra crossings.
7. All goods transport vehicles and all heavy and medium passenger transport vehicles should not ply on flyovers in Hyderabad city except Begumpet (Greenlands) and Langer house flyovers.
8. The RTC Buses should not be halted on the middle of the road other than the bus stop for picking up or dropping of the passengers as the stopping of buses in the moving traffic slows down the traffic movement leading to congestion.
9. All Motorists are advised to observe the lane discipline. In general in a mixed vehicular traffic situation, slow moving vehicles like autos, auto trolleys, bicycles, two wheeler vehicles, light/medium goods vehicles and delivery vans are directed to stick to the left lane and give way to the fast-moving traffic on their right. They may switch lanes from a

distance of about 100 metres before the intersection/junction where they have to move from the left to the right lane or vice versa.

10. Nothing in this notification shall apply to any vehicle registered under Section 60 of The Motor Vehicles Act, 1988 while it is being used in the execution of military manoeuvres within the area and during the period specified in the notification under sub-section (1) of section 2 of the Manoeuvres, Field Firing and Artillery Practice Act, 1938 (Central Act No.5 of 1938).
11. Nothing contained in this notification shall be applicable to Ambulances, Fire Fighting Vehicles, Vehicles used for Disaster Management, Vehicles of Motor Vehicle Department and Police Department and Vehicles used for emergency purposes.
12. Restricted Vehicles should not ply on the restricted routes and in the restricted hours unless the written permission is obtained under Sec. 84 of Hyderabad City Police Act, 1348-F from the Commissioner of Police, Hyderabad City under his signature & stamp.
13. The above restrictions will come into force with immediate effect.
14. This order shall supersede all previous orders/notifications issued in this regard.

This Notification, given under my hand and seal on this day, the 20/02/2024 of 2024.
